Yes, I still work for the state (in Amherst), so I would be available to testify if needed (assuming that I don't already have a Superior Court case scheduled for the same day somewhere else). If you can't reach a plea agreement, please let me know the Drug Lab No. for the case so I can look up my data and notes for the case. Thanks.

I have a case that was reversed based on Melendez-Diaz. You were the analyst. I am negotiating with defense counsel, hoping for a plea, and he wanted to know if you were available for a trial. I take it you are still working for the state and may be available for a re-trial. Is this correct?
